

The Department of Large Animal Clinical Sciences, Western College of Veterinary Medicine, invites applicants for a locum position in Equine Field Service. The successful candidate will join our vibrant Equine Field Service team, providing top-tier equine ambulatory services and mentoring the next generation of veterinarians.

Qualifications:

- Doctor of Veterinary Medicine (DVM) degree (or equivalent)
- Eligibility for general or limited general licensure with the Saskatchewan Veterinary Medical Association
- Experience in equine practice and/or advanced clinical training
- Proven commitment to high-quality patient care
- Excellent communication skills and ability to work collegially with diverse backgrounds
- Compliance with the University of Saskatchewan policy for operating university vehicles

Responsibilities:

- Provide primary care and specialist services to equine patients in the Saskatoon area
- Engage in clinical teaching and mentoring of final-year veterinary students
- Participate in after-hours on-call duty for the Equine Field Service section

Facilities: The Equine Field Service section operates out of the Veterinary Medical Centre, a state-of-the-art facility serving Western Canada. The section is equipped with four fully equipped ambulatory vehicles, digital radiography, ultrasonography, endoscopy, and power floats.

Salary: Remuneration for this position will be commensurate with the successful candidate's education and experience.

Application Process: Interested candidates must submit a cover letter, detailed curriculum vitae, and any supporting documents to:
